

Aaron Ronsheim

Director, Web Strategy

Aaron's role has overlapped into many other parts of the company, including the research of campaign finance laws, the deployment of email communications and the launch of ElectionMall online fundraising. Prior to joining ElectionMall, Aaron worked as an intern with Senator Evan Bayh, former Congressman Jack Quinn, and with the American Foreign Policy Council, and the Center for National Policy. Aaron received a Bachelor's degree in History from the University of Notre Dame, and is pursuing a Master's Degree in Political Management from George Washington University.
